

## Sanara MedTech to Present at the Piper Sandler 36th Annual Healthcare Conference on December 4th

November 25, 2024

**FORT WORTH, TX — NOVEMBER 25, 2024 – Sanara MedTech Inc.** Based in Fort Worth, Texas, Sanara MedTech Inc. (“Sanara,” the “Company,” “we,” “our” or “us”) (Nasdaq: SMTI), a medical technology company focused on developing and commercializing transformative technologies to improve clinical outcomes and reduce healthcare expenditures in the surgical, chronic wound and skincare markets, announced today that Ron Nixon, the Company’s Chairman and Chief Executive Officer, will present at the Piper Sandler 36th Annual Healthcare Conference, which is being held at The Lotte New York Palace in New York, NY from December 3 – 5, 2024. Mr. Nixon will deliver a presentation to investors on Wednesday, December 4 at approximately 11:50 a.m. Eastern Time.

The presentation materials for the conference will be posted to the Company’s investor relations website, <https://sanaramedtech.com/investor-relations/>, prior to the presentation. A live audio webcast of the presentation will also be accessible under the “Events” section of the Company’s investor relations website at <https://sanaramedtech.com/investor-relations/>. An archive of the webcast will be available for replay following the conference.

### About Sanara MedTech Inc.

Sanara MedTech Inc. is a medical technology company focused on developing and commercializing transformative technologies to improve clinical outcomes and reduce healthcare expenditures in the surgical, chronic wound and skincare markets. The Company markets, distributes and develops surgical, wound and skincare products for use by physicians and clinicians in hospitals, clinics and all post-acute care settings and offers wound care and dermatology virtual consultation services via telemedicine. Sanara’s products are primarily sold in the North American advanced wound care and surgical tissue repair markets. Sanara markets and distributes CellerateRX<sup>®</sup> Surgical Activated Collagen, FORTIFY TRG<sup>®</sup> Tissue Repair Graft and FORTIFY FLOWABLE<sup>®</sup> Extracellular Matrix as well as a portfolio of advanced biologic products focusing on ACTIGEN<sup>™</sup> Verified Inductive Bone Matrix, ALLOCYTE<sup>®</sup> Plus Advanced Viable Bone Matrix, BiFORM<sup>®</sup> Bioactive Moldable Matrix, TEXAGEN<sup>®</sup> Amniotic Membrane Allograft, and BIASURGE<sup>®</sup> Advanced Surgical Solution to the surgical market. In addition, the following products are sold in the wound care market: BIAKÖS<sup>®</sup> Antimicrobial Skin and Wound Cleanser, BIAKÖS<sup>®</sup> Antimicrobial Wound Gel, and BIAKÖS<sup>®</sup> Antimicrobial Skin and Wound Irrigation Solution. Sanara’s pipeline also contains potentially transformative product candidates for mitigation of opportunistic pathogens and biofilm, wound re-epithelialization and closure, necrotic tissue debridement and cell compatible substrates. The Company believes it has the ability to drive its pipeline from concept to preclinical and clinical development while meeting quality and regulatory requirements. Sanara is constantly seeking long-term strategic partnerships with a focus on products that improve outcomes at a lower overall cost.

### Information about Forward-Looking Statements

The statements in this press release that do not constitute historical facts are “forward-looking statements,” within the meaning of and subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995. These statements may be identified by terms such as “aims,” “anticipates,” “believes,” “contemplates,” “continue,” “could,” “estimates,” “expect,” “forecast,” “guidance,” “intends,” “may,” “plans,” “possible,” “potential,” “predicts,” “preliminary,” “projects,” “seeks,” “should,” “targets,” “will” or “would,” or the negatives of these terms, variations of these terms or other similar expressions. These forward-looking statements include, among others, statements regarding our business strategy and mission, the development of new products, the timing of commercialization of our products, the regulatory approval process and expansion of the Company’s business in telehealth and wound care. These items involve risks, contingencies and uncertainties such as uncertainties associated with the development and process for obtaining regulatory approval for new products, our ability to build out our executive team, our ability to identify and effectively utilize the net proceeds of the term loan to support the Company’s growth initiatives, the extent of product demand, market and customer acceptance, the effect of economic conditions, competition, pricing, uncertainties associated with the development and process for obtaining regulatory approval for new products, the ability to consummate and integrate acquisitions, and other risks, contingencies and uncertainties detailed in the Company’s Securities and Exchange Commission filings, which could cause the Company’s actual operating results, performance or business plans or prospects to differ materially from those expressed in, or implied by these statements.

All forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to revise any of these statements to reflect the future circumstances or the occurrence of unanticipated events, except as required by applicable securities laws.
