

2021 Cantor Virtual Global Healthcare Conference

September 22, 2021

Based in Fort Worth, Texas, Sanara MedTech Inc. (“Sanara,” the “Company,” “we,” “our” or “us”) (NASDAQ: SMTI), a provider of products and technologies for surgical and chronic wound care dedicated to improving patient outcomes, announced today that the Company is scheduled to present virtually at the 2021 Cantor Virtual Global Healthcare Conference. Sanara’s presentation will be given on Wednesday, September 29, 2021 at 9:20 a.m. ET.

The presentation materials for the conference will be posted to the Investor Relation’s section of the Company’s website, www.SanaraMedTech.com, prior to the conference.

About Sanara MedTech Inc.

With a focus on improving patient outcomes through evidence-based healing solutions, Sanara MedTech Inc. markets, distributes, and develops wound and skincare products for use by physicians and clinicians in hospitals, clinics, and all post-acute care settings and has begun offering wound care and dermatology virtual consultation services via telemedicine. Sanara’s products are primarily sold in the North American advanced wound care and surgical tissue repair markets. Sanara MedTech markets and distributes CellerateRX[®] Surgical Activated Collagen[®] to the surgical markets as well as the following products to the wound care market: BIAKÖS[™] Antimicrobial Skin and Wound Cleanser, BIAKÖS[™] Antimicrobial Wound Gel, BIAKÖS[™] Antimicrobial Skin and Wound Irrigation Solution and HYCOL[™] Hydrolyzed Collagen. Sanara’s pipeline contains potentially transformative product candidates for mitigation of opportunistic pathogens and biofilm, wound re-epithelialization and closure, necrotic tissue debridement, and cell-compatible substrates. Sanara is constantly seeking long-term strategic partnerships with a focus on products that improve outcomes at a lower overall cost. In addition, Sanara is actively seeking to expand within its six focus areas of wound and skincare for the acute, post-acute, and surgical markets. The focus areas are debridement, biofilm removal, hydrolyzed collagen, advanced biologics, negative pressure wound therapy adjunct products, and the oxygen delivery system segment of the healthcare industry. For more information, visit www.SanaraMedTech.com.

Information about Forward-Looking Statements

The statements in this press release that do not constitute historical facts are “forward-looking statements,” within the meaning of and subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995. These statements may be identified by terms such as “anticipate,” “believes,” “contemplates,” “continue” “could,” “estimates,” “expect,” “intend,” “may,” “plan,” “potential” “predicts,” “preliminary,” “project,” “seek,” “should,” “target,” “will,” or “would,” or the negatives of these terms, variations of these terms or other similar expressions. These forward-looking statements include statements regarding the development of new products. These items involve risks, contingencies and uncertainties such as uncertainties associated with the development and process for obtaining regulatory approval for new products, the extent of product demand, market and customer acceptance, the effect of economic conditions, competition, pricing, the ability to consummate and integrate acquisitions, and other risks, contingencies and

uncertainties detailed in the Company's SEC filings, which could cause the Company's actual operating results, performance or business plans or prospects to differ materially from those expressed in, or implied by these statements.

All forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to revise any of these statements to reflect the future circumstances or the occurrence of unanticipated events, except as required by applicable securities laws.
