Sanara MedTech to Participate in the Piper Sandler 37th Annual Healthcare Conference on December 3rd

November 19, 2025

FORT WORTH, TX, Nov. 19, 2025 (GLOBE NEWSWIRE) -- Sanara MedTech Inc. ("Sanara," the "Company," "we," "our" or "us") (Nasdaq: SMTI), a medical technology company focused on developing and commercializing transformative technologies to improve clinical outcomes and reduce healthcare expenditures in the surgical market, announced today that management will participate in the Piper Sandler 37th Annual Healthcare Conference, which is being held at The Lotte New York Palace in New York, NY from December 2 – 4, 2025. Management will deliver a presentation to investors on Wednesday, December 3 at approximately 9:30 a.m. Eastern Time.

The presentation materials for the conference will be posted to the Company's investor relations website, https://sanaramedtech.com/investor-relations/, prior to the presentation. A live audio webcast of the presentation will also be accessible under the "Events" section of the Company's investor relations website at https://sanaramedtech.com/investor-relations/. An archive of the webcast will be available for replay following the conference.

About Sanara MedTech Inc.

Sanara MedTech Inc. is a medical technology company focused on developing and commercializing transformative technologies to improve clinical outcomes and reduce healthcare expenditures in the surgical market. The Company develops, markets, and distributes surgical products for use by physicians and clinicians in hospitals. Each of the Company's products, services, and technologies are designed to achieve the goal of providing better clinical outcomes at a lower overall cost for patients. Sanara's products are primarily sold in the North American surgical tissue repair markets. Sanara markets and distributes CellerateRX® Surgical Activated Collagen® Powder, BIASURGE® Advanced Surgical Solution, FORTIFY TRG® Tissue Repair Graft, FORTIFY FLOWABLE® Extracellular Matrix, as well as a portfolio of advanced biologic products including: ACTIGEN® Verified Inductive Bone Matrix, ALLOCYTE® Plus Advanced Viable Bone Matrix, BiFORM® Bioactive Moldable Matrix, and TEXAGEN® Amniotic Membrane Allograft to the surgical market. The Company believes it can drive its pipeline from concept to preclinical and clinical development while meeting quality and regulatory requirements. The Company strives to be one of the most innovative and comprehensive providers of effective surgical solutions and is continually seeking to expand its offerings for patients requiring treatments in the United States. Information about Forward-Looking Statements

The statements in this press release that do not constitute historical facts are "forward-looking statements," within the meaning of and subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995. These statements may be identified by terms such as "aims," "anticipates," "believes," contemplates," "continue," "could," "estimates," "expect," "forecast," "guidance," "intends," "may," "plans," "possible," "potential," "predicts," "preliminary," "projects,"

“seeks,” “should,” “targets,” “will” or “would,” or the negatives of these terms, variations of these terms or other similar expressions. These forward-looking statements include, among others, statements regarding the Company’s ability to improve its operating efficiency, the Company’s business strategy and mission, the development of new products, the timing of commercialization of the Company’s products, the regulatory approval process and expansion of the Company’s business into value-based skin, wound care and other services. These items involve risks, contingencies and uncertainties such as uncertainties associated with the development and process for obtaining regulatory approval for new products, the Company’s ability to build out its executive team, the Company’s ability to identify and effectively utilize the net proceeds of the CRG Term Loan Agreement to support the Company’s growth initiatives, the extent of product demand, market and customer acceptance, the effect of economic conditions, competition, pricing, uncertainties associated with the development and process for obtaining regulatory approval for new products, the ability to consummate and integrate acquisitions, and other risks, contingencies and uncertainties detailed in the Company’s SEC filings, which could cause the Company’s actual operating results, performance or business plans or prospects to differ materially from those expressed in, or implied by these statements.

All forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to revise any of these statements to reflect future circumstances or the occurrence of unanticipated events, except as required by applicable securities laws.
